

## The Best Gift Ever!

This year, give the gift of community that keeps on giving.....

**An engraved brick in North Highland Park makes a perfect holiday gift or remembrance....**

**We're Now Selling the Final 53 Bricks !**  
**(And your donation is tax deductible)**

The Virginia-Highland Civic Association closed on the purchase of the former "library lots" at the corner of St. Charles Place and N. Highland Ave. in December 2008. Next, funds were raised to construct the park you enjoy today as North Highland Park. We originally sold almost 400 bricks to help fund that construction.

After installation of that first wave of bricks, we learned we had spots for 105 more, and we plan to sell out the remaining 53 bricks available (as of 11/5/16), which we will install by the Spring of 2017. We still owe over \$180,000 for the mortgage on the land (down from \$855,000 !), so please help us pay off the remaining debt. Here's the offer:

- Contribute \$100 and receive an engraved brick.
- The brick can be engraved with your family name(s), in honor of someone special, or you may simply wish to create something whimsical.
- You will receive a Certificate acknowledging your gift, suitable for gift-giving.
- Buy now and you will also receive a "Park Patron" t-shirt (limited sizes).
